The English as a Second Language Program has three goals:

To assist international and non-native English speaking students in becoming proficient in the English communication skills of listening, speaking, writing and reading.

To prepare international and non-native English speaking students to succeed either in

college or in the job market.

To familiarize international and non-native English speaking students with the American culture.

All students are required to take a placement examination prior to registration for any courses. Placement/promotion testing is done at the beginning and end of each semester. All students who successfully complete the advanced level courses and meet the ESL Program exit criteria are admitted into the college for their academic studies.
