The UVSC Behavioral Science Department offers classes that fulfill the social science distribution requirements for graduation, the Behavioral Science pre major for the associate degree, and the Behavioral Science major for the bachelor degree (with an emphasis in Anthropology, Psychology, Social Work or Sociology). Students enrolled in the Integrated Studies bachelor degree may also select Anthropology, Psychology, or Sociology as an emphasis. See the Integrated Studies section in this catalog for more information related to the Integrated Studies bachelor degree.

### CAREER OPPORTUNITIES

Courses in these areas of study lead to possible careers in mental health, counseling, family services, education, law enforcement, research, marketing, human resources, management, rehabilitation, anthropology, psychology, sociology, social work, and other human services.

### PROGRAMS

Please see department advisor for explanation of all program requirements, a list of recommended classes, and for assistance with creating an academic plan for graduation.
