ACADEMIC OPPORTUNITIES

Language expertise has specific application to a career in language teaching or translation. It becomes an attending and often essential skill in any business or government activity that involves domestic or international non-English speaking communities. The fact that business and government are more and more global enterprises, coupled with the fact that the U.S. citizenry is less and less monolingual English, the demand for language expertise is increasing throughout all facets of social

interaction, particularly, but not limited to industry, commerce, and education.

PROGRAMS

UVSC offers beginning (1000 level) and intermediate (2000 level) courses in ASL, Chinese, French, German, Japanese, Portuguese, Russian, and Spanish, as well as upper division (3000 level) language classes in all but Chinese. UVSC courses support inter-College programs/degrees that require languages (e.g., Associate in Arts requires 10 hours of the same recognized foreign language) and transfer to other colleges and universities, therein either partially or completely fulfilling entrance or degree requirements in language.

Foreign language courses fulfill AA/AS Humanities electives and AAS Humanities requirements.

Foreign Language courses numbered 2020 apply to Humanities Distribution requirements.

Foreign Language courses fulfill language requirements for the BA degree.
