

Club Programming Grant

This grant has been developed by ASUVSC to create more diverse programming on campus. Funds have been set aside to be dispersed twice during the academic year, once for the fall semester and once during the spring semester. Funds are to be used during the semester that they are received to provide a **campus wide event** for the entire student body that is unique and different from ASUVSC Student Life Programming.

Please fill out the following information and submit it to the UV Clubs office (LC101a) by Tuesday, **March 23rd** for Spring semester.

1. Club Name _____
2. Contact Name _____
3. Contact Phone Number _____
4. Event: _____
5. Proposed Date: _____
6. Requested Amount \$ _____
7. Planned Use of Grant Funds _____

8. How does your club plan to raise some of the funds for this Event? _____

9. How is this Event Different from ASUVSC Programming? _____

Requirements and Benefits of Receiving a Club Programming Grant

- If you are awarded a programming Grant, your UV Club Chair will be available to help you with your event, i.e. publicity, crowd control, etc. And the entire UV Clubs branch will be in attendance and available to help.
- After your event you will be expected to report the outcome, expenditures, and overall experiences of the event at both the ASUVSC council meeting and the UV Club Representatives meeting.
- If there is any violation of campus policy associated with your event, you will be required to return the amount of money you received for the grant.

Club Programming Grant Board

The board awarding this grant funds will be comprised of the following; VP of UV Clubs, UV Clubs Ambassadors, an Assistant to the Student Body President, and the UV Clubs Director.

Please note – this request is separate to Club Funding!
