**Legal Issues for Contractors at UVSC Wasatch Campus**

Simple legal mistakes can become costly errors. UVSC School of Continuing Education is helping contractors develop the skills to avoid costly mistakes by offering “Legal Issues for Contractors” a non-credit continuing education class.

Legal Issues for Contractors will be taught on the UVSC Wasatch Campus at 3111 N. College Way north of Heber City on US Highway 40 on Thursday, April 27, 2006, from 6:00 p.m. to 9:00 p.m. and fulfills the new continuing education requirement for Utah contractor license renewals. Sandra Dredge and Gerald Lallatin—both practicing attorneys— will help contractors understand the basics of contracts, mechanic’s liens, and worker’s compensation.

Registration for the class is \$159 and includes all course materials, a certificate of completion and Continuing Education Units..
