

Student Access to WebCT

Students must log into the UVLink system in order to access WebCT course sites. The following steps are needed to access course content.

Login into UVLink

1. **Open a web browser** and type the following web address into the address field:
http://uvlink.uvsc.edu
2. Enter your UV ID and password, then click the **Login** button (**Figure 1**).

Tip! If you don't know your UV ID and password there is help on the UV Link web site. If you still can't get in, call the Help Desk at (801)863-8888.

You will now be logged in to the UV Link portal system.

Accessing WebCT Courses

Once you have logged in to UV Link you may access your myWebCT list of courses as follows:

1. Inside **UV Link** click the **My Courses** tab near the top (**Figure 2**).
2. Under Courses I'm Attending click the title for a given course to enter the WebCT site.

Your WebCT course site will now load in a new window.

Note! If your WebCT course site doesn't appear make sure that your browser is allowing pop-ups!

Inside myWebCT

You can access your full list of WebCT courses by clicking the **myWebCT** link at the top of the page.

The myWebCT page (**Figure 3**) lists all of the courses a person is registered for down the left side of the page. Click the title of a course to enter it.

WebCT Course News

Course News items appear beneath a course if there is something newly available since last time the user logged in (**Figure 4**). These could be assignments, quizzes, WebCT mail, discussions, calendar postings, etc. Clicking on any of the News icons will take you directly to the relevant WebCT tool in that course.
