

REGISTRATION DAY INFORMATION - Summer SEMESTER 2006

This is the first time daily enrollment progress report for the Summer term has been tracked. Since there is no comparative **daily** data from the prior year, what would normally show the previous year's comparative numbers for the dates prior to (or after) the term's start date, this report will show the increase/decrease from the **previous day** for *Headcount* and *FTE*. Also, the *Headcount and FTE % of Total* will be compared to the prior year's **End of Term** Headcount and FTE. The report for Summer 2007, however, will correspond to the layout of our prior Fall and Spring reports.
