High school diploma or equivalent is not required.

C4 Does your institution require or recommend a general college-preparatory program for degree-seeking students?

For general admission to the college, a preparatory program is neither required nor recommended.

C5 Distribution of high school units required and/or recommended.

Basis for Selection

C6 Admission Policy

UVSC has an open admission policy, under which virtually all secondary school graduates or students with GED equivalency diplomas are admitted without regard to academic record or test scores.

SAT and ACT Policies

C8 Entrance exams

- UVSC does not require SAT I, or SAT II, or ACT scored for admission decisions. However, UVSC does recommend that either the SAT I or ACT test be taken prior to applying to the college.
- The applicant's SAT I or ACT test score is used for placement and counseling, particularly in Math and English courses. If the entrance exam scores have not been submitted to the college when the applicant attempts to enroll in classes, the college requires the applicant to take a series of tests covering Math, English, and Reading comprehension. The results from this on-site testing will then be used to counsel and place the student into appropriate courses.
